## The Rainbow Covenant Foundation

*I have set My rainbow in the cloud,  
and it shall be a sign of the covenant between Me and the earth.*

— Genesis 9:13

# Our Man in India

In October of 2004 Nagarajan held a **Torah reading and conference promoting The Rainbow Covenant.** He scheduled another for **February 7th of 2005 in Baroda, India** as well.

I am enclosing my experience as required by you to encourage others, I have managed to put something in words, I am not good at writing, there may be many mistakes for which I am sorry. And If have I missed any points then I will make it next time.

Before I tell me about myself I thank Mr. Michael Dallen for his Book "The Rainbow Covenant - Torah and the Seven Universal Laws." This has opened our eyes from all the Blindness.

## The Bind have led the blind into the ABYSS

This has made our Life very meaningful as we are aware of the true meaning of the LORD and the Seven Laws. The Rainbow book was sent by an Internet friend of mine, who has encouraged me in reading Torah, I would have not read it , had it been in the Internet version. But my friend had managed to send me the hard copy of the book to me. So we both me and my wife read the book, so wonderfully written by Mr. Dallen that many of our doubts or the Blindness which we had disappeared.

First Blindness : I was born in a Hindu Family, we were quite poor and my mother being widow losing her Husband - my father in Indo-Chinese war of 1962. In those days , if anyone knows christianity then it is the ROMAN CATHOLIC faith only. Other sects were very few and unnoticeable. We were made to believe touching the Cross was like touching GOD and would help our sorrows go. Getting Catholic priest Hand our Head was like getting Christ's hand on our Head. We were made to follow in such belief. The white robe of a priest was just a sign of purity and no wrong does and the Authority. We become christians not out of love for christ but for other things like Hospitals, School , Rations plus because of our Ignorance, Illiteracy and poverty.

## Obedient Sime-On Magus the Catholicos of Nimrod's Pontifex Maximas has served the Talmudic Hassidm well

### Second blindness:

Somehow I managed to complete my school studies, in the Middle of the time that our SECOND BLINDNESS took place, this time a great revival (so called by the Opportunist) by the Pentecostal people.

## Once again by the Evangelical proselytes of Hell

Since this was new this attracted the people who were blindly following the Roman Catholic faith till then. The beating of the drum , shouting , dancing (branding as Holy Spirit) without purpose and speaking with sounds and calling it as Unknown Tongues.

Such as the "Holy Ghost Bartender Rodney Howard Browne and the hysterical Laughter movement and yelping like dogs" This attracted my mother and by the time I was able to complete My HIGH school. We joined the Pentecost in 1973. Meantime I finishes Undergraduate studies in Electronics Engineering and took up a job in Software Company. **To add to insult to injury I lost the Job in the company because of my Christian Status.** The next thirty years we were in Hell up to 2001, where my wife and I had decided it enough is enough in this Hell. The pentecostal People has mislead us, doctrine and themselves. **The Bible was twisted to suit their needs and verses too in Bible has open ends,** hence they took the advantage of the incompleteness of the verses and

exploited us to the maximum. We were totally blindfolded in their mesmerism and Lies, Treachery and fornications, Idolatry. They broke all the TEN Commandments at will and still we were helpless as they showed the truncated Verses from Bible to their Defense. After Two years of search , I just started my own worship and was praying the true Lord **and my wife encouraged me** to read the Old Testament and follow it. Where in Pentecostal church we were told to follow the New Testament and they used Old Testament to cover their misdeeds. Now we are out at last from the Hell of Liars and deceivers and Twisters of Truth. They took all the advantage of Halfness or incompleteness of the Bible to cheat and mislead people.

Now , My wife and I after reading the Rainbow covenant, we discussed many points and since my wife has already this set of thoughts in her mind from long time, we firmly decided to become a members of the Rainbow Covenant in proclaiming and advancing the **Honour of the Lord in the World.**

I wish to open a Chapter of this foundation in the state of Gujarat in **India**. I request you all of your support for this.

Thanks.

## No(ahide) Justice

By Fred Van Sickle

Whether it's vandalizing a Christian church or smuggling nuclear triggers - our nations laws, big or small - seem to not apply to the self-chosen. . . .
